Short term Course on Power Electronics for Grid Connected Renewable Energy System
May 14-16, 2015, EED, NIT Calicut
<u>**Feedback Sheet**</u>
You may please write your free opinion on each item about the programme:

Your Title (please tick the correct one)	M Tech student / Researcher/ Faculty doing research / Faculty ✓/Consultant/ Working professional /engineer from Industry /Others --
Intention of attending the programme	Higher learning ✓/ Research / Exposure on power electronics / Promotion / spend time /meeting friends /just attending /more consultancy /better job

Do you feel the course content is sufficient	Yes ✓/just sufficient/No

How many sessions (in %) were really useful to you ?

100 % /   above 80% ✓ / about 60% /   about 40% / less than 40 %

Name of the session which you feel is the best: Day-2, Session-I

Speaker: Dr. Siva Kumar K.
Reason for your choice: He is able to clear the basic ideas is required for research.

Name of the topic(s) (if any) , which you feel were <u>irrelevant</u> to the course:
Theory related to Multilevel inverter.

Name of the topic (if any), which you feel was the most relevant to the course:
Phase locked loops , design & research issues on multilevel inverter related to renewable energy source.

Do you feel that simulation sessions/Practical sessions were useful to you
Yes, Very useful / Not that much / Not useful

Name of the topic(s) (if any), which you feel was to be included (added) in the course:
Some more courses based on application of PE on renewable energy source.

Do you like to attend this course if conducted again: no   yes/ sometimes / no

1

Name of the areas/topics , which you would like to attend some courses in future at NIT Calicut:

Research issues on Power electronics.

Do you like to attend similar workshops/seminars organised by Electrical Department(EED) /NIT Calicut/ NaMPET -CADC :   yes/ sometimes / no

Pl specify

Your comment on arrangement/conduct of the programme: very good/good/satisfactory/poor

Your comment on technical content of the programme: very good/good/satisfactory/poor

Your comment on food and refreshment of the programme: very good/good/satisfactory/poor

Your comment on selection of speakers for the programme: very good/good/satisfactory/poor

What is the overall ranking of the course:
          excellent / very good/ good/   satisfactory/   poor

Would you like to visit NIT Calicut again :   yes   yes/ no
Reason for your choice:

Would you like to reveal your name: *(not at all compulsory)*
If yes , please give your name & address:

Your specific suggestions for improvement of similar activities

1   More research oriented practical session should be included by the experts not by the M.Tech students.

2   In practical session, everything was fixed before, but it should be practiced of our own.

3   Technical talk was good, but what I feel it was full of theory not research practical oriented by some (1/2) speakers.
