

Short term Course on Power Electronics for Grid Connected Renewable Energy System
May 14-16, 2015, EED, NIT Calicut

Feedback Sheet

You may please write your free opinion on each item about the programme:

Your Title (please tick the correct one)	M Tech student / Researcher/ Faculty doing research / Faculty/Consultant/ Working professional /engineer from Industry /Others <u>B.TECH STUDENT</u>
Intention of attending the programme	Higher learning/ <input checked="" type="checkbox"/> Research / Exposure on power electronics / Promotion / spend time /meeting friends /just attending /more consultancy /better job
Do you feel the course content is sufficient	<input checked="" type="checkbox"/> Yes /just sufficient/No
How many sessions (in %) were really useful to you ? 100 % / <input checked="" type="checkbox"/> above 80% / about 60% / about 40% / less than 40 %	
Name of the session which you feel is the best: <u>Research Issues in PE, Multilevel inverter for medium & High power applications, PE converters: research issues & challenges</u> Speaker: <u>Dr. Chepakumar, Dr. Sivakumar, Dr. Riju</u> Reason for your choice: <u>The way those people explain the concept made listeners to made understand the topics much better.</u>	
Name of the topic(s) (if any) , which you feel were <u>irrelevant</u> to the course: <u>NOTHING</u>	
Name of the topic (if any), which you feel was the most relevant to the course: <u>ALL ARE RELEVANT</u>	
Do you feel that simulation sessions/Practical sessions were useful to you Yes, <input checked="" type="checkbox"/> Very useful / Not that much / Not useful <u>ESPECIALLY SIMULATION LAB</u> } <u>Because instructors explained in a much better manner.</u>	
Name of the topic(s) (if any), which you feel was to be included (added) in the course:	
Do you like to attend this course if conducted again: <input checked="" type="checkbox"/> yes/ sometimes / no <u>NO DOUBT = " OF COURSE "</u>	

Name of the areas/topics, which you would like to attend some courses in future at NIT Calicut:

PLC, SCADA

Do you like to attend similar workshops/seminars organised by Electrical Department(EED) /NIT Calicut/ NaMPET -CADC : yes/ sometimes / no

Pl specify

Your comment on arrangement/conduct of the programme: very good/good/satisfactory/poor

Your comment on technical content of the programme: very good/good/satisfactory/poor

Your comment on food and refreshment of the programme: very good/good/satisfactory/poor

Your comment on selection of speakers for the programme: very good/good/satisfactory/poor

What is the overall ranking of the course:

excellent / very good/ good/ satisfactory/ poor

Would you like to visit NIT Calicut again : yes/ no

Reason for your choice: NIT IS PRODUCING HIGHLY QUALIFIED ENGINEERS ACROSS THE COUNTRY. VISITING NIT IS LIKE A MOTIVATION TO LEARN AGAIN AND AGAIN.

Would you like to reveal your name: (not at all compulsory)

If yes, please give your name & address:

JAYASANKAR.J. 'SRIJAYAM', KADURKAMKUNNU (P.O),
AKKAWAGAR, ANDIMADAM, PALAKKAD
NSS COLLEGE OF ENGINEERING, PALAKKAD PH: 9400696029

Your specific suggestions for improvement of similar activities

- 1) Please conduct ~~some~~ similar programme for B.Tech students also, which gives them insight to new technologies and also ~~gives~~ gives new ideas. Because, I felt that if I could able to attend the program before my 7th semester, definitely could able to choose better topics for main project and seminars.
- 2) Also instead of providing lectures, some practically oriented programme can also be conducted.
